The Extraordinary Life of an Ordinary Man: A Memoir  
Paul Newman  
\$32

**Add to Cart** → เพิ่มสินค้าลงตะกร้า

In 1986, Paul Newman and his closest friend, screenwriter Stewart Stern, began an extraordinary project. Stuart was to compile an oral history, to have Newman's family and friends and those who worked closely with him, talk about the actor's life. And then Newman would work with Stewart and give his side of the story. The only stipulation was that anyone who spoke on the record had to be completely honest. That same stipulation applied to Newman himself. The project lasted five years.
